Why Diapers? These basic donations help homeless young mothers with their day to day struggle, as they are learning how to live independently and continue their education.

Why socks... and why color socks? The number one needed clothing article is new socks. Most people that donate socks, choose black or white instead of colored. Simple answer: children LOVE color!

Promise House serves over 3,000 homeless, runaway and at-risk youth each year! These youth usually arrive with nothing but the shirts on their backs. We are hosting a donation drive to help the youth of Promise House get the items they need to survive every day. **Promise House only accepts new and unused items.**
